

Mulgara - Bug #154

HTTP uploads of RDF/XML can give error

10/17/2008 01:59 AM - Paula Gearon

Status:	New	Start date:

Target version:			
Resolution:			
Description			
The Jena parser for RDF/XML can fail to register the final <code></rdf:RDF></code> tag if it is immediately followed by a new line. Loading from a file is OK, but an InputStream can lead to an error if this condition occurs.
