

Mulgara - Feature #146

Factor out HTTP server from EmbeddedMulgaraServer

09/04/2008 03:56 AM - Paula Gearon

Status:	Closed	Start date:	
Priority:	High	Due date:	
Assignee:	Paula Gearon	% Done:	0%
Category:	Mulgara	Estimated time:	0.00 hour
Target version:			
Resolution:	fixed		
Description			
Extract the creation of Server and any web services into a separate class.			
Since this class does not need to feed anything back to the main framework, it can be started with reflection easily. This means we can avoid class loading entirely if the setup is not creating web services. This will allow us to avoid a number of jars for many distributions.			

History

#1 - 10/15/2008 04:40 AM - Paula Gearon

- Status changed from New to Closed
- Resolution set to fixed

Added [HttpServices](#) in [r1251](#)
