

Mulgara - Feature #160

Cache lucene indexes

10/23/2008 01:22 PM - ronald -

Resolution:	duplicate		

Description

The lucene indexes in the [\[source:trunk/src/jar/resolver-lucene/ lucene resolver\]](#) are created anew for each transaction; this is fairly costly. We should cached them across transactions, re-opening them if a modification occurred since the last time they were checked out.

History
