

Mulgara - Bug #169

CREATE on the SPARQL protocol should return RDF/XML

11/10/2008 09:21 PM - Paula Gearon

Status:	Closed	Start date:	
Priority:	High	Due date:	
Assignee:	Paula Gearon	% Done:	0%
Category:	Mulgara	Estimated time:	0.00 hour
Target version:	SPARQL Query Engine		
Resolution:	fixed		
Description			
CREATE is basically being implemented as a select for 3 columns. That provides the correct data, but in the wrong format.			
We need to use the RDF/XML exporter to convert the data being created into an RDF/XML graph.

- Status changed from New to Closed
- Resolution set to fixed

Fixed, though it may need better streaming for large results
