

## Mulgara - Feature #198

### SPARQL XML results encoding

09/01/2009 08:02 PM - Gregg -

<b>Status:</b>	New	<b>Start date:</b>

<b>Target version:</b>	SPARQL Query Engine		
<b>Resolution:</b>			
<b>Description</b>			
<p>Currently the XML response to SPARQL queries does not specify an encoding in the XML header. The SPARQL Protocol definition doesn't seem to address this, and the examples omit it; but the SOAP example includes it. As a matter of "best practice" I think Mulgara should always explicitly indicate the encoding.</p>
